17-18

MAY

2018

Course Highlights

The course will introduce the attendees to the derivative products currently used in Thailand. We will start from the basic building blocks to build up solid foundation to understanding the products that are currently traded in the markets. The ultimate goal of this course is to foster an intuitive understanding of derivative products, so that attendees would be able to expand on their own knowledge in the future.

Who should attend? Target Audiences:

Current employees within Corporate treasury function at a corporation. Global market sales, Investment Manager.

*****This course is appropriate for those who have had basic finance background**

Course Fees:

16,800 Baht
(lunch and coffee breaks are included)

Venue: Grande

Centre Point Hotel

Terminal 21
